**EXPERIENCE**

Use this side of the application to write any additional information you would like us to know – about your life, your ministry, or your experiences. We want you to share with us anything that you feel might have a bearing on the number of “ministry experience” credit hours we can give. We want to validate all your education and experience. You may also attach your resume to the application. **(Applicable only to people with past ministry experience.)**

**REFUND POLICY:**

Please note that Therapon University is registered in the USA as a non-profit, tax exempted ministry organization. Therapon University therefore cannot issue refunds under any circumstances. That means all fees paid to us remain NON-REFUNDABLE to the student, should the student decide not to continue with his/her studies. This includes any and all deposits made for: Registration Fees, Tuition Fees, Administration Fees, as well as Graduation Fees.

Should a student discontinue their studies after paying any fees, they have a 24-month period in which to bring their fees up to date and continue with their studies where they left off. Should they not continue or communicate to us within the 24 months that they have discontinued their studies, they will no longer be registered as a legitimate student with TU in the USA. We therefore urge prospective students to count the cost before they enroll.

**ACCREDITATION:**

Please note that Therapon University is accredited with the American Accrediting Association of Theological Institutions (A.A.A.T.I.) and Theological Accreditation International (T.A.I.), but these are not recognized by the U.S. Department of Education. These are religious accreditations, rather than secular - voluntary, rather than mandatory. These agencies monitor educational and religious standards for Bible colleges, and many religious organizations, churches and ministries accept their accreditation. TU is authorized to grant degrees by Religious Exemption in St. Thomas, USVI. If you are simply seeking additional education to increase your ministry potential, our school would be an excellent choice.

**DECLARATION:**

The applicant declares that the information supplied is true and accurate. By signing this application, the student witnesses that he/she is in agreement with all the terms and conditions of Therapon University, and will abide by said terms and conditions as described.

The student hereby also acknowledges that he or she is familiar with the refund policy of Therapon University, and understands that Therapon University holds no accreditations recognized by the U.S. Department of Education.

**Please attach copies of I.D. and a student photo, as well as relevant academic qualifications. Applications will not be processed without these documents.**
